**If you, or a family member, need to stop driving, have a plan on alternative transportation options:**

- ◇ Look for resources and programs available to individuals
- ◇ Contact agencies in your region. For Franklin County Ohio, contact the Franklin County Office on Aging and the Central Ohio Area Agency on Aging

**If you, or a family member, are in need of working with a Driver Rehabilitation Specialist, contact your family physician for a referral (similar to a prescription for a PT). Physicians' information can be found at:**
