“Knowledge Is Valuable; Add Action And They Are Pivotal”

Tips:

- ◇ PLAN, PLAN, PLAN: the sooner you start planning, the better.
- ◇ Use professionals to guide you through the process of applying for Medicaid.
- ◇ Be sure you have documented all of your assets, particularly any that are located in another state and in any county in Ohio.
- ◇ For individuals who are on Medicare and Social Security and/or moving onto Medicaid, it is critical that the documents meet the requirements of the federal agencies, and make sure you keep the documents up-to-date!
- ◇ Do not assume assets must be spent down to \$2,000....there are exceptions (e.g. prepaid funeral costs), so be sure you have the correct information
- ◇ If you are denied, follow appeals process and utilize a professional to help you if you have not already done so

- ◇ Make your own legal decisions for yourself which will give you peace of mind; do not be fearful.
- ◇ If you have not created a legal plan, the ramifications will be resolved through a court process
